

**REMARKS**

The above claims have been filed in order to better define some aspects and embodiments of the present invention. For instance, independent claim 28 defines an inner lining assembly as described on pages 17 and 18 of the present application. Independent claims 46 and 53, on the other hand, have been drafted in view of the results obtained in Examples 3 and 4.

It is believed that the present application is in complete condition for allowance and favorable action therefore is respectfully requested.

Please charge any additional fees required by this Amendment to Deposit Account No. 04-1403.

Respectfully submitted,
